

Customers Must Be 21 Years or Older to Purchase Cigarettes and Tobacco

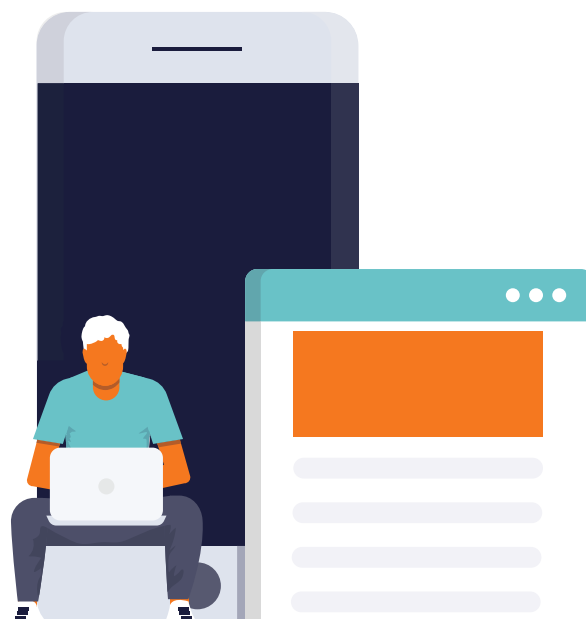

How can you tell if someone is old enough to buy tobacco products, like cigarettes, e-cigarettes, chew and smokeless tobacco? There are ways to properly check for identification and avoid hefty fines.

The online training empowers you with the tools you need to make the right call and keep tobacco products out of the hands of Nevada's minors.

Take an online training to make the right call:

1. Visit ResponsibleTobaccoNV.com on any device
2. Click the button to take the quiz
3. Enter your info and find your store
4. Review the learning material and take a short quiz
5. Receive your certificate that proves you're able to responsibly sell tobacco
6. Take what you learn and apply it when deciding whether or not to sell tobacco to a customer
